HELEN GOULD HONORED BY RAILWAY EMPLOYES Loving Cup Presented to Her on Mer

New York June 21.—An interesting exercise took place at the Gould mansion at Irvington this afternoon when Miss Helen Miller Gould was presented with a loving cup by the amployes of the Gould system in the southwest in appreciation of her interest in their welfare and her efforts to better their condition. The presentation was made at a committee meeting and at the same time Miss Gould was presented a volume of letters, bound in morocco, with silver trimings, from twenty-five railroad associations, and an equal number of the higher officials of the Gould lines.

It was Miss Gould's birthday and she was taken completely by surprise.

Spending Summer Vaca-

Bart McShane of Salem.
The two men with three others had hired the Century club cottage to pend their summer vazction in Early roday Jeremiah O'Counsell, one of the party, awoke to find himself almost evercome by smoke. Shouting a word of warning to his companions, he made his escape by jumping through window in the one-story cottage, rulckly followed by two of his friends.

Barrett and McShane were not wakened by O'Connell's shouts and berished.

Washington June 21.—After passing the general deficiency appropriation bill the last of the great supply measures, and the bill to retire Justice Moody, the senate today again took up the postal savings bank bill and spent about four hours in discussing the motion by Senator Carter to concur in the house bill. The motion was steenuously resisted by Senators Cummins, Bristow, Bacon, and Newlands, and supported by Senators Carter and Burton.

There was great desire on the part of friends of the bill to bring it to a vote tonight, but failing in that effort an agreement was reached to vote at five o'clock tomorrow.

vote tonight, but failing in that effort an agreement was reached to vote at five o'clock tomorrow.

The house held a night session and passed the arid land reciamation bill in the form in which it had been reported from the committee on public lands. The bill provides for the issuance of certificates of indebtedness to provide a fund of \$20,000,000 for the reclomation of arid lands. Charles E. Grover spoke upon the topic from the standpoint of the workingman. He thought that the workingman of America compared very favorably with those of any other country and queried whether Norwich today is any worse than Norwich 100 years ago. He asked whether some form of recreation which he has not today could not be given to the workprovide a fund of \$20,000,000 for the reclomation of arid lands.

Earlier in the session the house agreed to the conference report on the naval bill and to a partial report on the sundry civil bill, sending the latter measure back to conference for further consideration of the senate amendments still in dispute.

The substitute offered by the senate to the house land withdrawal bill also was accepted by the house without amendment. today could not be given to the workingman to win him from other things which might be considered dangerous. Rev. John Thompson of the Greeneville and Bean Hill Methodist churches took the place of Robert McNeely, who was ill. He spoke from the standpoint of the Bible, and argued against a lack of respect for the sanctity of the day, which was altogether too prevalent. He quoted Nehemiah's After another recitation by Miss Hew-itt, Rev. H. T. Arnold spoke from the standpoint of a minister. He said that the state had recognized that the Sabthe state had recognized that the Sab-bath was good for man and had ac-cordingly enacted regulations about it. The Sabbath is observed because it is a wise thing to do. It is a day valua-ble for worship and we ask the state to guard against those things that dis-turb worship. It is a day for the pro-motion of morality and to help men olimb heavenward and he thought that personally we have nothing to

district of Ohio.

## Day of Rest At Sagamore Hill

EXPEDITIOUS EXIT OF SEVERAL INTERVIEWERS.

MASS OF MAIL ACCUMULATED

Oyster Bay, N. Y., June 21.—Sagamore Hill settled down today to the routine of the summer weeks to which Theodore Roosevelt has retired in peace and quietude. His homecoming celebration and the wedding of his son over, Colonel Roosevelt spent today in the leafy environs of his estate, but not in idleness. Before he was awake in the morning a caller had arrived. Next came an interviewer who had not heard of the colonel's order barring all inquisitors from his home. Hardly had he made his expeditious exit when two more callers arrived. Later came a party of four who were guests at Sagamore over night. The colonel also unpacked some of his luggage, took a walk, entertained his guests and went through part of the mass of mail which has accommisted. Aside from this, his day was one of rest.

Preparing the Tennie Court. Kermit Roosevelt's Sand.

Oyster Bay sizzled today with theo-mometers registering a maximum of 89. But in the neighborhood of Saga-such gooler. When had been over-night guests with the Roosevelts, departed on the noon train for their home at Farmington, the rear admiral paused to praise Kermit Roosevelt's sand.

Roosevelt's sand.

"Kermit's endurance in Africa was wonderful," said the rear admiral. "His fearleseness made him so heedless of danger that his father had many scares on his account." He added that the colonel had invoked the assistance of all the family this morning in helping sort over the 5,000 or so letters which

hould one not believing in the Bible King George will take place about the middle of May, 1911. Immediately af-ter this ceremony the Duke of Con-naught will proceed to Canada to as-

milas, Greek Minister to This Coun try, to Be Married July 6.

It became known here Tuesday ton that Miss Anna Ewing Cockrell, daughter of former Senator Francis M. Cockrell of Missouri, who is now an interstate commerce commissioner, and L. A. Coromilas, envoy extraordinary and minister plenipotentiary of Greece to the United States, will be matried here on July 6 at the home of Mrs. Edson F. Gallaudet, sister of Miss Cockrell, with whom the latter is at present visiting.

Owing to the death of Mr. Coromilas' mother the wedding will be very small, with only immediate members of the family in attendance. The wedding will take place at the home of Miss Cockrell's sister, Mrs. Gallaudet, No. 270 Broadway on the after-

det. No. 270 Broadway, on the after-noon of Wednesday, July 6. It is un-derstood that they will go abroad aft-

A HALF MILE SPURT.

₹ 37 to 38. The Harvard 'varsity eight was towed down to the three mile mark Tuesday night and paddled slowly back until the first half of the fourth mile was reached, when the stroke was raised to 37 and 37 and a spurt made for half a mile, which was covered in 2.25. There was no wind and a light favoring tide. New cars were used and worked well. Bacon was in the boaf at No. 5 and has entirely recovered from the bolls which caused him to leave the boat for several days.

which classed that to leave the boat for several days.

The freshman eight rowed over the last mile of the course at a slow stroke. The 'varsity fours rowed about half a mile down steram and practiced starts, the same course being taken by the freshman four.

Among the day's visitors at quarters were Robert L. Bacon, captain of the 1907 crew, and E. P. Cutler, captain of the 1909 crew.

was taken. The three fours also went down to the navy yard at a slow stroke and paddled back.

A special wire was put in at quarters today, over which the returns of the game with Harvard were received. Tuesday night a big celebration, with

# **Hot Wave Breaks June Records**

AND IT PROMISES TO CONTINUE TO DO SO.

NO RELIEF IS IN SIGHT

Washington, June 21.—Everywhere sast of the Rocky mountains the country is in the grip of a heat wave which is smashing June records and promises to continue to do so. No relief is in sight unless some disturbance turns up in the atmosphere. Weather wise-acres expect the high temperatures to continue, though they may be lessened from time to time by local showers.

100 Degrees in Washington. 100 Degrees in Washington.

The weather bureau's official thermometer here registered 100 degrees at o'clock this afternoon. Then it began to recede slowly.

the states of the northwest th weather bureau is getting reports of temperatures as high as 105, and damage to crops is threatened by the extended drought in that section. Heat prostrations are reported to be many. In this city the suffering would have been intense had it not been for light winds from the southwest which been vinds from the southwest which kept

AMBULANCES KEPT BUSY CARING FOR THE STRICKEN.

w York City Thermometers Marke 98-Great Suffering in Congested

New York, June 21.—Hapless New Yorkers sizzled and sweltered today while the mercury climbed steadily until it attained a maximum of 90 degrees by official readings at 3.45 p. m., a high mark for the year. Thermometers on the streets ranged as high as 98, and three deaths directly due to the heat were recorded.

More than thirty persons were prostrated and several are in such serious condition that the death roll may be lengthened.

engthened.

Excessive humidity added to the torures of the day, At 9 o'clock this
norphing the humidity was \$2, but as
he thermometer climbed gradually the
numidity declined to a minimum for

the day of 46.

A severe thunder and rain storm early in the mering falled to bring relief after a night of discomfort during which the mercury did not descend below 70 degrees, and as the day's heat increased there was a general exodus to the beaches and parks. In the congested residence districts was the worst suffering, and hospital ambulances were kept busy caring for the stricken. In the suburbs and surrounding towns conditions equally as bad prevalled. In Bayonne, N. J., five men were prostrated, two of whom are expected to die.

At Mineola, L. I., during a parade and contest of Long Island volunteer firemen, half a dozen firemen were overcome and several spectators were prostrated.

Another but day is the aradiction.

Philadelphia, June 21.—Ten deaths and many prostrations were reported here today. The maximum temperature was 92 degrees at 2.20. The lowest temperature for the day was 4.30 a. m., when the mercury stood at 71. The mean temperature was 32, nine degrees above normal.

Nantucket, Mass., June 21.—A severe thunder storm, which lasted three hours.——considerable damage while passing over this island today. Lightning badly damaged four dwellings, but no person was injured.

#### COLLECTOR SEEKS REFUGE IN ARIZONA

Customs Money Taken to Residence of Mexican Consul Whose House is Guarded by American Deputy Sheriffs-Every Available Man Armed and Ready to Meet the Attack-Trouble may Spread to This Side.

Bisbec, Adiz., June 21.—The Mexican custom house and postoffice in Naco. Sonora, was guarded by Mexican customs guards last night in anticipation of an attack from revolutionists. The Mexican customs collector came across

Every Available Man Armed. Yesterday afternoon the Mexican onsul, Torrez, at Naco, Ariz., received

custom house in Sonora trouble might spread to this side of the line.

Mexican officers at Cartanea have made several arrests of alleged revolutionists during the last few days and have sent them to Hermosilio. Mexicans carrying arms and several arrests and services. consul, Torrez, at Naco, Ariz, received information that an attack was planned on Naco, Sonora. The attacking party was alleged to be composed of Mexican revolutionists from both sides of the line. The plan was to seize the Mexican custom house and postoffice. The Mexican consul communicated with the City of Mexico and Mexican troops were ordered to Naco. One company from Cananea was due to arrive this morning. All ammunition and

ANOTHER REDUCTION IN CHEAPER CUTS OF BEEF More Expensive Cuts Advanced-Revision of Prices Favors Poor People.

Chicago, June 21.-Following Chicago, June 21.—Following predictions made last week, packers yesterday circulated a new list of prices for dressed beef cuts which showed variations of interest to housewives. Most expensive cuts of beef were advanced half-cent a pound, while the cheaper cuts were reduced a quarter to one cest. The revision favored the poor man's packetbook, while it called

one cent. The revision favored the poor man's pocketbook, while it called for a larger outlay to furnish the table of the rich. Retailers said they would lower the prices immediately.

Close upon the heels of the reduction in beef prices came the report that a consignment of 7,000 dressed hogs had been received in San Francisco from China. These hogs were said to have been imported by a St. Louis wholesaler, who will distribute them to all parts of the country.

FROM TAFT SCHOOL Statement by Headmaster Horace D

Taft-An Emphatic Denial. Watertown emphatically denied to-day that any students had been ex-pelled for the unseemly decorations that were heaped upon the new sol-diers' monument Sunday night. He also stated that John Garfield, son of former Secretary of the faterior James R. Garfield, and grandson of former President James A. Garfield, had nothing whatever to do with the pranies. Mr. Taft stated that young Garfield will be back in school next year and as a monitor, a position of henor granted only to those students whose deportment is exemplary. The school has already closed for the year.

London, June. 31.—Miss Mildred Carter, only daughter of John Ridgely Carter, American minister to Roumania, Servia and Bulgaria, and Lord Acheson, elder son of Lord and Lady Gosford, were married at St. George's church in Hanover square this afternoon. This was one of the weddings of the season, which had been anticipated with much interest by the late King Edward, because of the close connection of the parents of the groom with the royal household and his majesty's personal friendship for Mr. Carter. King Edward had expressed his intention of being present at the ceremony with the queen. The list of guests was a long one.

Patrol Duty Tonight.

New York, June 21.—Mayor Gaynor caused announcement to be made to-night of his latest reform in the administration of the city's affairs. An order issued by Police Commissioner Baker wipes out the "plain clothes men," and 208 members of the force, many of whom have never worn a uniform, must don the blue tomorrow night and begin patrol duty. In the future only detectives under the supervision of the detective bureau may appear in citizen's clothes.

LORD & TAYLOR ABSORBED.

New York, June 21.—Negotiations for the purchase of a controlling interest in Lord & Taylor have been completed by the United Dry Goods company, a J. P. Moragn syndicate, which already owns or controls a long string of department and dry goods stores in many large cities. The bouse of Lord & Taylor is one of the oldest in the United States.

The sale, it was learned today, had been pending for several months—ever since the death of Edward P. Hatch, the president of Lord & Taylor, last September.

BROWNE CASE DEFENSE RESTS. Charged With Bribery in Election of U. S. Senator Lorimer.

Chicago, June 31.—Preciuding—the possibility of the defendant's going upon the stand in his own behalf, comesel say, and shutting out all testimeny that Senator William Lorimer might have to offer in denial of the charge that his seat in the United States are that his seat in the United States sen-ate was purchased, lawyers for Los O'Neil Browne abruptly rested their onse in the criminal court at noon to-

day.

It is said that Browne's counsel believe that their case stands or falls on whether the jury is willing to accept the testimony of Representative Charles A. White, who made the charge that Browne, democratic minority leader of the Illinois legislature, gave him \$1,000 to vote for Lorimer for senator.

CHURCH BURNED BY LIGHTNING

struck by lightning early today and the fire that followed destroyed the edifice. The Rev. Father Drier, the pastor, entered the burning building and removed the Hest and sacred vessels from the altar. The loss is estimated at \$30,000.
